

Interview: Candy Huber, Women's Ministry Director at HBC.

How long have you been involved in Women's Ministry at Harmony? Why do you love it?

I began serving on the Women's Ministry team in 2007 & worked on the Event Team; I took over as Women's Ministry Director in 2010 & on staff in July of 2012. I love Women's Ministry because I love women, I love who we are and how God made us. Women love deeply, they care deeply, they are devoted to those they love. In joy I serve the women of Harmony because God has called me to love & serve.

You also work with the MOPPETS kids and are on the MOPS Steering Team. What has been the most rewarding part of serving our MOPS group?

I serve as a MOPS Mentor and love this role! I really love Preschool aged children (they are my favorite 😊). I serve with the MOPS Steering Team as Co-Director of our MOPPETS program, with my great friend Charlotte Helton. We love our jobs! I enjoy being involved with all ages of women as women's ministry director and MOPS gives me a great opportunity to connect with young moms and their children. That is the most rewarding part of my service with MOPS - just getting to know and love the momma's and their little children. I love encouraging the moms each time we are together. Moms need each other; I so wish we would of had something like MOPS when I was raising 2 little kids. I love the "community" MOPS offers - just having a "sister to do mothering with" is a huge benefit! That is huge!

I am on staff at Harmony Bible Church as the Women's Ministry Director. I love working with women and seeing them fall in love with Jesus as we do studies, events, conferences, prayer, and encourage them to follow God with their whole life.

Father through him.

If you could choose how you are remembered, what would you want said about you?

As someone who loved Jesus and others with a happy heart, served with a joy from within, a woman who loved & encouraged her family & others, and prayed fervently for her family and others.
