

# HARMONY MEMBERSHIP COVENANT

I have read the Constitution of Harmony Bible Church, including the Confession of Faith and the Rules of Church Government. I fully subscribe to the Confession of Faith, which is an authentic and reliable exposition of what the Scriptures lead us to believe and do. I agree to abide by the Rules of Church Government. I further agree to accept the leadership of this Church by the Elders.

1. I commit to worship Christ in all of life, striving in all things to honor my Lord and Savior through a manner of life that is a demonstration of the Christian Gospel to the Church, to the world, and through obedience to the will of God as set forth in Scripture and in the Confession of Faith.
2. I commit to live on mission by growing as a disciple who makes fellow disciples of Jesus Christ.
3. I commit to faithfully pray for the Church leaders, graciously and biblically expecting them to be of sound doctrine and godly character. I will also pray for the people and ministries of Harmony Bible Church, desiring the guidance and strength of the Holy Spirit for all the church body.
4. I commit to faithfully attend weekly worship services of Harmony Bible Church and specially called congregational meetings.
5. I commit to financially support Harmony in a joyful, sacrificial way.
6. I commit to live in community with one another, seeking to form growing relationships of encouragement, love, and discipleship.
7. I commit to faithfully use my abilities and time for the Lord for the church body of Harmony, in the community, and/or in the world.
8. I commit to actively participate in Harmony's shepherding relationships.
9. I commit to work to preserve church unity through gracious speech and by lovingly addressing concerns directly to the correct people in a timely manner.

I understand and agree that if my beliefs or conduct are called into question by the Church Elder Board, or if I find myself out of harmony with the beliefs and practices of this Church, I will submit to the careful consideration and decision of the Church Elder Board regarding the faith or conduct in question, and will be governed by such decision as to my future relationship with this Church.
